1. Can I have Pay Per View?

Yes. Pay Per View (PPV) is available with any of the upgraded Services from DirecTV®. With Pay Per View you are only charged for the special sporting events, shows, movies, adult, or foreign content which you authorize through your credit card. You must attach a standard telephone line to the box for billing purposes.

2. Can I receive High Definition Television?

HDTV or High Definition Television channels from Baltimore and Washington are a part of the service at no additional charge; an HDTV set including an HDTV tuner with 2 antenna inputs is required. HDTV movies and other channels are available with a DirecTV® HDTV box for an additional monthly fee; no HDTV tuner is required.

3. How many outlets can I have?

There is no extra charge for your using as many outlets as you like in your home for cable television, internet or telephone. Installation charges may apply. You will need to rent a separate DirecTV® box for each Upgraded service location you desire.

4. Can ECC install additional outlets?

Yes. Ellicott City Cable Company can add outlets for cable, internet or phone service. Ellicott City Cable Company can also set up a home wireless or wired network for you. These services are billed on time (\$45*/hour) plus materials; minimum 1 hour charge.

5. What can I do now to get ready?

Plan with your builder where you want outlets now and for the future; this way they can be installed at much less cost during the construction of you new home. Ideally each outlet should be wired with two RG-6 and two Cat5e cables to allow for CATV, Digital TV, PPV, Internet and Telephone Service. Be sure to have a standard 110 volt electric outlet (duplex receptacle) on an inside wall within 3 feet of the cable entrance to your home to provide power to the cable network interface devices (about 12x16 inches).

6. How can I order the services?

What if I have additional questions?
Call ECC at 443-574-8900 or contact us through the web at www.eccable.com. Our staff is ready to assist you Monday to Friday 9AM to 5PM.
