Dear Customer,

We need your help to continue our services. In the coming weeks the Howard County Council will be reviewing our cable franchise applications. We believe it will be helpful for the council to hear from our customers. If the council votes to turn down one both of our applications, we may not be able to provide your cable TV service for much longer.

Hopefully you have found that we deliver a set of quality products at reasonable rates with prompt, courteous service and support of your needs. These are our goals. If we are not meeting them or you have any service needs please call or email Support@ECCable.com to let us know.

Kindly also take a minute to read and sign the attached petition to the council which recommends approval of our franchise application. Since time is short, we would prefer that you return it to us using one of the convenient options listed below:

- Call us to come pick it up
- Drop it in our box at the Taylor Village HOA or the Waverly Gardens lobby
- Bring it to our office
- Fax it to us at 410-465-1950 and to the county council at 410-313-3297.

You can also call the County Council at 410-313-2001 or email council members. Kindly copy us at Support@ECCable.com on your email. Council members and emails are:

Calvin Ball, Chariperson cball@howardcountymd.gov

Courtney Watson, Vice Chairperson cwatson@howardcountymd.gov

Jen Terrasa jterrasa@howardcountymd.gov

Mary Kay Sigaty mksigaty@howardcountymd.gov

Greg Fox. gfox@howardcountymd.gov

We appreciate your assistance in helping us to continue to provide your cable needs.

Sincerely,

Bruce Taylor, MD

**Petition in Support of
the Taylor Village and Waverly Woods Franchise Applications of
Ellicott City Cable Company**

The following individuals, at the addresses as noted below, request that the Howard County Council and Executive approve the applications of the Ellicott City Cable Company for Secondary Cable Franchises to serve the requested areas of Taylor Village and Waverly Woods.
